**PETITION FOR  
STALKING  
PROTECTIVE ORDER**  
(for non-DV cases only\*\*)

I swear or affirm under penalty of perjury that all the information I provide in this petition is true to the best of my knowledge and belief.

1. I request the following protective order(s).

**If there is any chance you will need protection for more than 20 days, you should request both an ex parte (20-day) order and long-term (one-year) order by checking both boxes.**

an ex parte protective order (20-day order).  
*[This order can take effect immediately based on only the petition and Petitioner's testimony, before Respondent knows about the ex parte petition. If the ex parte order is granted, the police will serve it on Respondent. If the ex parte order is denied but the court still sets a hearing on your request for a long-term order, the police will serve Respondent a copy of this petition and notice of the long-term hearing date.]*

I certify that I  
 have **not** tried to notify Respondent that I am filing this petition.  
 notified or tried to notify Respondent as follows:  
\_\_\_\_\_  
\_\_\_\_\_

a long-term protective order (one-year order).  
*[This order can only be issued after notice to Respondent and a court hearing. This order will last for one year, unless the court ends it sooner. The police will notify Respondent of the hearing.]*

2. Respondent is a: *[check all that apply]*
- (former) friend                       neighbor, landlord, or tenant (not living together)
  - classmate                                 partner or ex-partner of one my family members
  - client or former client                 ex-partner of my current significant other

**\*\*If you are related to Respondent by blood, adoption, or marriage, or have ever (1) been in a dating or romantic relationship with Respondent, (2) lived with Respondent, or (3) had a child with Respondent, file a domestic violence petition (DV-100) instead of this form. Stalking is included as one of the qualifying crimes of domestic violence.\*\***

**This is Not a Court Order**

## 3. Respondent has stalked me as described below:

*[Be as specific as you can about what Respondent did, including when and where it happened. The judge must have details in order to make a decision on your petition. You may find it helpful to read the definitions in the text box below before you begin writing. You **must** fill out at least the starred (\*) sections to qualify for a stalking protective order. Attach additional pages if necessary—write only on one side of the page.]*

a.\*  I specifically told Respondent not to have contact with me as described below:  
*[Include date/time and how you communicated this to Respondent]*

I did not specifically say anything to Respondent, but Respondent should have known that I wanted no contact because:

b.\* First nonconsensual contact:

c.\* Second nonconsensual contact:

d. Additional nonconsensual contacts:

e.\* The contacts described above made me afraid of physical injury or death, or the physical injury or death of my family member(s), because:

*[This is a plain language summary of the stalking statutes. For the complete text, see AS 11.41.260-270.]*

"Stalking" means that the respondent made "nonconsensual contact" with you two or more times, **and** that these contacts made you reasonably afraid of death or physical injury, or the death or physical injury of a family member.

"Contact" includes many things (not all of them are listed here). Examples are: calling you, messaging you on social media, following you, going onto your property, leaving objects for you, tracking you with GPS, hacking your phone

"Nonconsensual" contact means:

- Contact that you did not specifically agree to, or is not reasonable under generally accepted social norms
- Contact that you agreed to at first, but it continued after you told the respondent you no longer wanted it
- Contact that goes beyond what you agreed to

**Note:** If there is back-and-forth conversation or argument between you and the respondent, it is usually **not** considered nonconsensual contact, even if the conversation is negative
