

## Privacy Statement: *Nunaka: My Village*

Chugachmiut is an Alaska Native 501 (c) 3 non-profit agency incorporated in 1974 to serve the seven Native tribes in the Chugach Region. In releasing *Nunaka: My Village*, we are committed to providing a safe and secure environment for young people to learn Sugt'stun language, Sugpiaq culture and heritage, and take on age-appropriate game-based activities. As part of that commitment, we do not collect information that directly identifies you or your child.

Please note that a separate privacy policy may apply to third-party services you use to access our content.

What information does *Nunaka: My Village* collect?

- The Apple App Store and Google Play Store provide us with anonymized, aggregated data on the number of downloads of *Nunaka: My Village*, the countries in which these downloads occur, and the types of devices and operating systems used.
- When a user contacts Chugachmiut, we collect email addresses, and we may store email correspondence for the purposes of responding effectively and improving the app experience.
- No user of *Nunaka: My Village* is required to make an account. The information put into the profile system within the game is not collected.

Other than what is disclosed to us in emails, we do not collect information that directly identifies any individual child or adult.

Any information we collect is only used in order to develop and improve *Nunaka: My Village*.

We do not share information we collect with any third parties. We may share anonymized, aggregated information with production partners we work with to help us further refine and improve *Nunaka: My Village*.

Notice for international users: Although we do not prohibit users from outside the United States from accessing and using *Nunaka: My Village*, the app is designed for and directed to families in the United States. Accordingly, we have crafted our information practices to comply with U.S. law, and not necessarily with those of other jurisdictions.

We reserve the right to change and update this privacy policy if our information practices change or the apps introduce new features. Please revisit this privacy policy statement from time to time so you can be aware of any updates.
