A place of awakening  
Recovery Camp Application

**Welcome.** We are so glad you are joining *Llangarwik*, a recovery program which really is “a place of awakening or a place of healing” – as translated from Sugt’stun.

We are proud to share that we are able to have an in-person camp at Fire Camp in Kenai, Alaska. We will be meeting from April 15 through April 27th, 2024.

**What to expect:**

- Daily group activities and learning
- A roommate
- Meals and relationship building
- And some very challenging tasks and activities that will help you become awake.

**What to expect:**

- While in Camp, you will meet daily with other participants in group activities.
- You will also be able to meet with trained counselors one-on-one as needed and as you want.
- After camp our Aftercare specialists will provide support by calling each person at least three times a week and in Zoom-based groups with other camp participants.
- Your personal counselor will continue to meet with you when camp is done, supporting you through the first couple of years of a sober lifestyle on a schedule that you negotiate.

**Thank you** for taking this courageous first step.

**Welcome home.**
