COMMUNITY INFRASTRUCTURE

[Community Development Block Grant Program for Indian Tribes and Alaska Native Villages](#)

Department of Housing and Urban Development

DEADLINE: July 15, 2024

AWARDS: \$500,000-\$5 million; no match

ELIGIBILITY: Native American tribal governments (Federally recognized); Native American tribal organizations (other than Federally recognized tribal governments)

The primary objective of the Indian Community Development Block Grant (ICDBG) program is the development of viable Indian and Alaska Native communities, including the creation of decent housing, suitable living environments, and economic opportunities primarily for persons of low- and moderate-incomes. Projects funded by the ICDBG program must principally benefit low- and moderate-income persons (24 CFR 1003.208). These are competitive grants and are the subject of this NOFO.b. Imminent Threat Grants. Projects funded with Imminent Threat grant funds are to address issues that have an immediate negative impact on public health or safety of tribal residents. You do not have to apply for an Imminent Threat grant by the deadline established in this NOFO. These funds are awarded on a first-come first-serve basis until the amount set aside for this purpose is expended. The Imminent Threat request must be submitted to the Area Office of Native American Programs (ONAP) for your region in accordance with ONAP Program Guidance 2018-04, "Imminent Threat Grants" and the requirements in 24 CFR part 1003 subpart E. [Environmental and Climate Justice Community Change Grants Program](#)

Environmental Protection Agency

DEADLINE: Nov. 21, 2024

AWARDS: Track I grants are expected to be \$10-\$20 million; Track II grants are expected to be \$1-\$3 million each. No match.

ELIGIBILITY: To be eligible, applicants must be a partnership between two community-based nonprofit organizations or a partnership between a CBO and one of the following: a federally recognized Tribe, a local government, or an institution of higher education.

The Environmental and Climate Justice Community Change Grant program (Community Change Grants) will fund community-driven projects that address climate challenges and reduce pollution while strengthening communities through thoughtful implementation. The EPA will consider applications under two separate tracks:

- Track I applications – Community-Driven Investments for Change will focus on multi-faceted applications with Climate Action and Pollution Reduction Strategies to meaningfully improve the environmental, climate, and resilience conditions affecting disadvantaged communities. Awards under Track I are expected to be \$10-20 million each and cannot exceed \$20 million. Examples of projects include Green infrastructure development, Energy efficient housing, Microgrid installation, disaster preparedness “community resilience hubs,” landfill work, workforce development, and more.
- Track II applications – Meaningful Engagement for Equitable Governance will facilitate the engagement of disadvantaged communities in governmental processes to advance environmental and climate justice. Awards under Track II are expected to be \$1-3 million each. Track II applications should focus on breaking down systemic barriers to community participation in government processes impacting environmental and climate justice. This can be done by creating engagement and feedback mechanisms with two-way communications between community members and government decision-makers. Applications should focus on ways to provide disadvantaged communities with information about issues that directly impact them, while simultaneously creating mechanisms for the government to gather input to ensure community needs inform decision-making and are integrated into government processes and policies.
