Chugachmiut Health Services RASU Pharmacy Refill Hotline is Now Live

Requesting prescription refills through RASU Pharmacy is now easier!

RASU Pharmacy now offers a refill hotline option that allows you to enter your prescription numbers directly instead of leaving a voicemail. You can also request refills, check refill status, and view prescription details using the My MobileRx app. Use the instructions below to get started.

| | |
|--|---|
| <p>STEP 1</p> <p>To Download: Scan the QR code for your mobile device.</p>     | <p>STEP 2</p> <p>To Setup: Enter the 5-digit zip code 99508 of the pharmacy, click search, then select <u>Alaska Native Medical Center</u>.</p>  |
| <p>STEP 3</p> <p>To Add Prescriptions: Enter your Birth Date, then scan the QR Code on your label, or enter the Rx number manually.</p>  | <p>STEP 4</p> <p>To Refill: Tap an Rx to see details, status, or to refill. <i>*If the Rx is not refillable, then the Refill button won't appear.</i></p>  |
